Exceptional Wealth Mark Tepper 2018-01-02 Are you a high net worth individual? Then the wealth management rules are different for you. Mark Tepper rightly assures us that we should all consider ourselves wealthy if we have the resources

to live the lives we want to live without compromise. However, if you fall into one of his higher-net-worth categories, you will find that *Exceptional Wealth* is speaking directly to you. Tepper, author of the acclaimed *Walk Away Wealthy*, stresses that if you are someone with a high net worth, you have to realize that managing your wealth is complex. He clearly outlines key steps and sophisticated strategies that experienced professional financial advisors should be implementing for you. Each high net worth individual has unique and different forms of wealth, investments, and objectives.

Consequently, individual and special family needs demand specifically tailored financial plans and approaches. Good investment management might have made you wealthy, but Tepper solidly brings home the point that only proper wealth management will keep you wealthy. Those whose wealth exceeds \$1,000,000 will likely benefit most from the keys and myths that Tepper outlines, but this book is relevant for anyone looking to take the next step in wealth accumulation and preservation. The bottom line, as Tepper advises, is the following: Prosperous individuals require a higher level of sophistication when it comes to optimizing their financial affairs.

The Legacy Journey Dave Ramsey 2014-10-01

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

Jij bent een badass Jen Sincero 2016-05-03 Met alle wildgroei aan inspirerende zelfhulpboeken is het Jen Sincero gelukt om een verfrissend, goudeerlijk boek te schrijven waarin ze je met hilarische en inspirerende verhalen levensveranderende inzichten geeft. In hoofdstukken als ‘Je brein is je bitch’, ‘Angst is voor losers’ en ‘Het was de schuld van mijn

onderbewustzijn' neemt Sincero je mee op een transformerende tour. Ze laat je zien hoe je je financiën, relaties en carrière een boost geeft en eigenlijk alle geweldige dingen kunt krijgen waar je naar verlangt. Ben je bang om gezien te worden met een zelfhulpboek? Geen zorgen. Sincero was aanvankelijk ook een scepticus en heeft daarom dit boek geschreven met alleen de beste adviezen zonder een new age-sausje. Na het lezen van dit boek ben je een badass, ken je jezelf en snap je waarom je dingen doet, weet je te houden van de dingen die je niet kunt veranderen en de dingen te veranderen waar je niet van houdt, en hoe je het leven gaat krijgen waar je vroeger altijd jaloers op was.
