Mackenzie's Grave Owen Chadwick 2009-09-01 Livingstone believed in 1856 that he had opened Central Africa to industry, commerce, and Christianity. He summoned Britain to plant a settlement that should destroy the slave trade by teaching the Christian faith to Africans and by developing the wealth of the country. Mackenzie led the mission that tried with Livingstone's help to plant this settlement. This book describes the ensuing tragedy; a tragedy that nevertheless helped to found Nysaland.

Minister's Prayer Book Mary Jane Haemig 2020-02-04 Since it first appeared in print in 1959, John Doberstein's Minister's Prayer Book has been a devotional classic among Lutheran pastors. Written by a pastor for other pastors, Doberstein's work recognizes the need for the pastor to drink from a well of rich resources to sustain the spiritual vitality needed to serve faithfully in parish ministry. The fact that this manual of devotion is still available more than fifty years later is a testament to the timelessness of the collection Doberstein gathered, as well as to his own pastoral acumen. Other than a minor revision made in 1986 by Philip Pfatteicher to update the propers, there has been no attempt to bring fresh material to Doberstein's work, no attempt to update it for a new generation. Until now. This revised edition recognizes the increasingly diverse face of clergy. New resources--prayers and readings written by women, people of color, and Christians from around the world--give the collection a broader appeal. The beauty of the Minister's Prayer Book is its intentional re-centering of the pastor's calling on word and sacrament, on pastoral care, and on being fully present and engaged in the lives of God's people.

The President Is Dead! Louis L. Picone 2016-08-16 *Updated Edition* A fun, anecdote-filled, encyclopedic look at the circumstances surrounding the deaths of every president and a few "almost presidents," such as Jefferson Davis. Packed with fun facts and presidential trivia, The President Is Dead! tells you everything you could possibly want to know about how our presidents, from George Washington to George H. W. Bush (who was the most recent president to die), met their ends, the circumstances of their deaths, the pomp of their funerals, and their public afterlives, including stories of attempted grave robberings, reinterments, vandalism, conspiracy theories surrounding their deaths, and much more. The President Is Dead! is filled with never-before-told stories, including a suggestion by one prominent physician to resurrect George Washington from death by transfusing his body with lamb's blood. You may have heard of a plot to rob Abraham Lincoln's body from its grave site, but did you know that there was also attempts to steal Benjamin Harrison's and Andrew Jackson's remains? The book also includes "Critical Death Information," which prefaces each chapter, and a complete visitor's guide to each grave site and death-related historical landmark. An "Almost Presidents" section includes chapters on John Hanson (first president under the Articles of Confederation), Sam Houston (former president of the Republic of Texas), David Rice Atchison (president for a day), and Jefferson Davis. Exhaustively researched, The President Is Dead! is richly layered with colorful facts and entertaining stories about how the presidents have passed. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Prayer Against Untimely Death Tella Olayeri 2021-07-02 Untimely death has caused disaster to families and nations at large. Bread winners, loved ones, and people loaded with talents often lose their lives before they know it. The agony is much if weighed on scale. It is high time we put check on wicked spirits behind such acts. It is time to say, "Thou spirit behind sudden death your cup is full, surrender and disappear from the corridor of my life." What stories have we not heard? Kidnappers terrorize lives on a daily basis. News of disaster of different dimensions never ceases. Loss of lives as a result of motor accident is rampant. Witchcraft and wizards are finding it comfortable to kill and maim captives. The cause of untimely death is on and on, and on. Life is no longer safe, as untimely death has taken grip of society. This book stands out to give both practical and spiritual remedy to this nonsense. It builds hope against sudden death and keys to destroy terrors of life. This can be achieved through case studies, and loaded prayer points vomited by the Holy Spirit in this book.

New York Times Book of the Civil War 1861-1865 Harold Holzer 2010-10-03 The Civil War as you've never experienced it before, through original, first-hand reportage of The New York Times, the country's newspaper of record. Available for the first time in a unique book/DVD package The New York Times, established in 1851, was one of the few newspapers with correspondents on the front lines throughout the Civil War. The Complete Civil War collects every article written about the war from 1861 to 1865, plus select pieces before and after the war and is filled with the action, politics, and personal stories of this monumental event. From the first shot fired at Fort Sumter to the surrender at Appomattox, and from the Battle of Antietam to the Battle of Atlanta, as well as articles on slavery, states rights, the role of women, and profiles of noted heroes such as Ulysses S. Grant and Robert E. Lee, the era comes alive through these daily first-hand accounts. More than 600 of the most crucial and interesting articles in the book? Typeset and designed for easy reading Commentary by Editors and Civil War scholars Harold Holzer and Craig Symonds More than 104,000 additional articles on the DVD-ROM? every article the Times published during the war. A detailed chronology highlights articles and events of interest that can be found on the disk. Strikingly designed and illustrated with hundreds of maps, historical photographs, and engravings, this book is a treasure for Civil War and history buffs everywhere. "This is a fascinating and riveting look at the most important event in American history as seen through the eyes of an institution that was emerging as the most important newspaper in American history. In these pages, the Civil War seems new and fresh, unfolding day after anxious day, as the fate of the republic hangs in the balance." -- Ken Burns "Serious historians and casual readers alike will find this extraordinary collection of 600 articles and editorials about the Civil War published in The New York Times before and during the war of great value and interest . . . enough to keep the most assiduous student busy for the next four years of the war's sesquicentennial observations." -- James McPherson "This fascinating work catapults readers back in time, allowing us to live through the Civil War as daily readers of The New York Times, worrying about the outcome of battles, wondering about our generals, debating what to do about slavery, hearing the words that Lincoln spoke, feeling passionate about our politics. Symonds and Holzer have found an ingenious new way to experience the most dramatic event in our nation's history." -- Doris Kearns Goodwin "Harold Holzer and Craig Symonds have included not only every pertinent article from the pages of The Times, but enhanced and illuminated them with editorial commentary that adds context and perspective, making the articles more informative and useful here than they were in the original issues. Nowhere else can readers of today get such an understanding of how readers of 1861-1865 learned of and understood their war." -- William C Davis The DVD runs on Windows 2000/XP or Mac OS X 10.3 or later.

Fatwa in Indonesia Pradana Boy Zulian 2018-01-23 This book looks at fatwa in Indonesia during the period following the fall of President Suharto. It is an in-depth exploration of three fatwa-making agencies- Majelis Ulama Indonesia, Lajnah Bahth al-Masail Nahdlatul Ulama, and Majelis Tarjih Muhammadiyah-all of which are highly influential in shaping religious thought and the lives of Muslims in Indonesia. Rather than look at all the fatwa that have emerged in the period, Pradana Boy ZTF focuses on those that have strong repercussions for intra-community relations and the development of Indonesian Muslims more generally, including fatwa pertaining to sectarianism, pluralism, secularism and liberalism.

The Whole Death Catalog Harold Schechter 2009-06-02 In the tradition of Mary Roach's bestselling Stiff and Jessica Mitford's classic exposé The American Way of Death comes this meticulously researched, refreshingly irreverent, and lavishly illustrated look at death from acclaimed author Harold Schechter. With his trademark fearlessness and bracing sense of humor, Schechter digs deep into a wealth of sources to unearth a treasure trove of surprising facts, amusing anecdotes, practical information, and timeless wisdom about that undiscovered country to which we will all one day travel. Topics include • Death anxiety—is your fear of death normal or off the scale? • You can't take it with you . . . or can you? Wacky wills and bizarre bequests • The hospice experience—going out in comfort and style • Deathbed and funeral etiquette—how to help the dying and mourn the dead with dignity • Death on demand—why the right-to-die movement may be the next big thing • "Good-bye everybody"—famous last words • The embalmer's art—all dressed up and nowhere to go • Behind the scenes at your local funeral home • Alternative burial choices—from coral reefs to outer space From the cold, hard facts of death to lessons in the art of dying well, from what happens in the body's last living moments to what transpires in the ground or in the furnace, from near-death experiences to speculation on the afterlife, The Whole Death Catalog leaves no gravestone unturned.

Refutation of Yasir Qadhi Grave Worship Blunder Imam Karim Abu Zaid 2021-08-01 A layman Muslim asked Yasir Qadhi: "What is the ruling on invoking the engraved saints (Awlyia)?" Yasir Qadhi answered him

publicly, saying, "...The second opinion is the opinion that invoking the saints (Awliya)... it is Haram (Unlawful), and it is evil, and evil innovation, a religions innovation, a Bid'ah, and it is a steppingstone to Shirk (Polytheism). It is opening the doors to Shirk (Polytheism). But it is not Shirk(Polytheism) in and of itself unless that action is accompanied by a belief that you are calling out to a god. I myself am an advocate of this second position." Yasir Qadhi's answer is false, baseless, misleading, deceitful, tricky, and dishonest. However, the worst thing about his answer is the sad reality that as a graduate of the Islamic University of Madinah, he was matching the argument to justify idol worship like the pagan Arabs did during the Prophet's (s.a.w) time. The Pagan Arabs justified their idol worship saying, "We believe that Allah is the Creator, the Controller, the Provider, the Sustainer, the Giver of life and death, and the Source of every blessing." Regardless, Allah (s.w.t) still classified them as Polytheists (Mushrikun) in the Quran, and the Prophet (s.a.w) challenged them on all fronts till they gave it up. I want to ask Yasir Qadhi: "What is the difference between the pagan Arabs at the Prophet's (s.a.w) time and today's grave worshipers?" First, let me point out two major similarities:- The pagan Arabs acknowledged Allah's (s.w.t) Lordship (Rububiyyah). Today's grave worshipers also acknowledge that Allah (s.w.t) can do things that their engraved saints (Awliya) cannot do. Yet, despite their acknowledgments, they both denied Allah's (s.w.t) right to be worshiped alone (Ululhiyyah). They both directed their worship to the engraved like the pagan Arabs directed their worship to the idols. The pagan Arabs believed that their idols have status and gained Allah's (s.w.t) honor and respect. Hence, they appointed them as Intermediaries (Wasilah), and they used to ask Allah (s.w.t) through them. Similarly, today's grave worshipers believe that the engraved saints (Awliya) have status, honor, and respect with Allah (s.w.t). Hence, they appoint them as Intermediaries (Wasilah), and they invoke Allah (s.w.t) through them as well. However, there are two major differences between the pagan Arabs of the Prophet's (s.a.w) time and today's grave worshipers: When a pagan Arab experienced severe hardship, calamity, or distress, or while making his urgent appeal (Istighathah), he called upon Allah (s.w.t) and ultimately abandoned his idols. However, when today's grave worshiper is distressed and in dire need of help, he directs his urgent appeals (Istighathah) to his saint, the engraved, the dead, and calls upon their so-called "Supreme Helpers" (Al-Ghawth Al-Azam). The second is, that I regard a pagan Arab as a Polytheist (Mushrik), but I cannot do the same to my Muslim brother, the grave worshiper, since he utters the Universal Declaration of Faith (L? il?ha illa All?h). I can only do that after establishing the evidence and removed the obstacles. It is to verify that he is invoking the saints (Awliya) knowingly and with willful intention. I ask Allah (s.w.t) to make this work of benefit to Muslims including our brother Yasir Qadhi. May Allah (s.w.t) guide us all. Ameen. Imam Karim Abu Zaid

State and Sufism in Iraq David Jordan 2021-12-31 State and Sufism in Iraq is the first comprehensive study of the Iraqi Ba?th regime's (r. 1968–2003) entanglement with Sufis and of Sunn? Sufi Islam in Iraq from the late Ottoman period until 2003 and beyond. For far too long, the secular and authoritarian Ba?th regime has been reduced to the dictator Saddam Husayn and portrayed as antireligious. It's growing political employment of Islam during the 1990s, in turn, has been interpreted either as an abstract Ba?thist-nationalist Islam or as an ideological U-turn from secularism to a form of Islamism that ultimately contributed to the spread of Islamist terrorism after 2003. Broadening the narrow focus on Saddam Husayn, this book analyses other leading regime figures, their close entanglement with Sufis, and Ba?th religious politics of a state-sponsored revival of Sufi Islam and Iraq's broad and distinct Sufi culture. It is the story of a secular regime's search for "moderate" Islam in order to overcome the challenges of radical Islamism and sectarianism in Iraq. The book's two-pronged interdisciplinary approach that deals equally with politics and Sufi Islam in Iraq makes it a valuable contribution to scholars and students in Islamic and Middle Eastern Studies, Religious Anthropology and Sociology, Political Science, and International Relations.

The Lord Knows the Way Through the Wilderness Elvera M. Denning 2009-12 Milton Hershey is well known for his chocolate. You can find Hershey's chocolate throughout America and many other countries. Moreover, many have written about him likening M.S. Hershey to royalty, such as an Emperor or King of chocolate. However, this is not the Hersheys' greatest achievement. The far more unique, extraordinary and unparalleled achievement of Milton and Catherine Hershey is The Hershey Industrial School. As part of The Hershey Industrial School, the Hersheys created the community, businesses and education system of Hershey, PA. HIS was established in perpetuity for the benefit of American orphans. Hershey Ideal Community for Orphans is about the Hersheys' intelligent philanthropy. A philanthropy that not only benefited all who were a part of it, its beneficiaries are American children who are orphans, and therefore, through no fault of their own, are at risk of suffering a range of undesirable outcomes. The Hersheys were driven by philanthropic effectiveness, measured by the degree to which each individual was able to reach their full potential according to their own characteristics. HIS fully develops each orphan as a whole person according to such child's unique potential through its state-of-the-art program tailored around each individual by transforming him into an adult of exceptional character, prepared to make a living as an adult.

A Long Short Life Merle W. Mc Morrow 2010-12-15 In A Long Short Life, Merle W. McMorrow documents a trail of events of his own and his familys experiences from his youth into adulthood. He was born during a time of uncertainty following World War I. Both his father and mother grew up in families that put very little value on education, and therefore neither one finished high school. Their marriage resulted in family difficulties due to religious differences, among other factors. Tragedy struck the family many times, but the event that left a permanent mark on McMorrow and his family was the divorce of his parents. These problems were followed by the deaths of some of other family members, as well as a diagnosis of diabetes for his father. This period of difficulties would ultimately extend through three major historical time periods: the Great Depression, World War II and the Cold War. Despite the many problems his family endured, however, they enjoyed twenty years as a close-knit family, all lovingly chronicled in A Long Short Life.

The Last of the Angels Fadhil al-Azzawi 2008-07-22 From a legendary writer both beloved and banished by Iraq -- a fine work of Arabic literature in the vein of Naguib Mahfouz and Elias Khoury, and a magical and moving comic novel about the birth of modern Iraq. Kirkuk, Iraq, the 1950s. The day Hameed Nylon loses his job, and gains an unfortunate nickname, is the day that his life begins: dismissed as a chauffeur when rumors surface that he propositioned his British boss's posh-tart wife, Hameed finds his true calling as a revolutionary in an Iraq that is destined for a sea change. Also bent on bucking the system is Hameed's brother-in-law, the money-scheming butcher Khidir Musa, who runs off suddenly to Russia to find two brothers who have been missing since World War I. And the key to their fate is held by a seven-year-old boy, Burhan Abdallah, who stumbles upon an old chest in his attic that allows him to speak with three white-robed old men, beings who inform him that they are, in fact, angels.
