Kingdom Business Leadership - Training Manual for Emerging Business Leaders George Meyers 2011-09 As technological advancements accelerate change, global organizations must re-invent themselves periodically or they will become irrelevant. It is not only the change itself that is impacting so much, but more the rate of speed that change is occurring. To adopt new structures, adapt to changing situations and implement new systems requires innovative, flexible, visionary leaders. This is a learner-focused manual for training Emerging Business

Leaders. It is not meant to be a scholarly dissertation, but a how and what to do manual or handbook. The manual is designed to empower a new kind of business leader - one that may have 7-10 careers during a fast-paced lifetime. Even though technology has a profound influence on business formation and operations, there are eternal principles that ultimately overshadow all else. These principles are time-tested and proven over centuries of industry and governing. Leading wisely is still a mandate to be embraced by CEOs and organizational leaders today.
